

The background features a vibrant yellow field with abstract, overlapping shapes in dark blue, light blue, and teal. Several white circles of varying sizes are scattered throughout, some appearing as if they are cutouts or holes in the design. The overall aesthetic is modern and graphic.

The background of the slide is a vibrant yellow. It is decorated with several abstract, organic shapes in shades of blue and green. These shapes are interconnected and feature white circular cutouts. The shapes are arranged in a way that suggests movement and flow, with some elements resembling stylized water droplets or flowing paths. The overall aesthetic is modern and clean.

13.2 WFD Protected Areas and At Risk Status of Waterbodies
